“ Haven will be missed . I went to church with this family for years. Haven and Roberta always sung at church and played music. I've have been wondering about these girls for about a month or so . I had just told Johnny about three weeks ago il would call Roberta and Haven but I don't know their phone numbers. I remember when Johnny was leaving from Fayetteville airport to head to California to head to Vienam Haven took us to Airport and the flight was had some trouble He was to change planes in Tulsa so Heaven said let's head that way. We headed out and Heaven was spreading and right outside of Siloam Springs we had blue lights He asked what is your hurry we told him He said I'm not going to give you a tucked but slow down I want you to make it safe we did but he made it on time . Roberta give me a call some time and I will meet up you you. Will be praying for you guys in times like these times a hard . Trust the Lord he will give strength to get thru this rough time in your life.

“ Haven was my best friend all though Jr high and High School. I used to play with her long hair that always fell on my desk as she sat in front of me in many classes. May she rest in peace.

“ Haven and I worked together and became friends. I loved the way she laughed or rather chuckled, especially when something was funny but wasn't meant to be. The Iris flag flowers she gave me many years ago still bloom and now are more precious to me. Sorry for your loss Wayne, your in my prayers..
