“ *When my brother Gary married Shirley I was about 15 years old. I remember Hazel as fun loving, welcoming and her smile. Many years later I met Hazel again, she had not changed and got to know her more. I consider knowing Hazel as one of the joys of my life.*

“ *To the family. I met Leon before I met Hazel Leon did a lot of work for me when I lived on Crestwood. There was not a thing he couldn't do or I didn't think there was. He shared much about his family. Told me Hazel was the best woman in the world and the only one who could have put up with him. After I met her I knew what he meant. She was a kind, loving lady. She loved her family especially you Kenneth and Shirley. I know you will miss her and have wonderful memories. You both were sure loved by your Mom and Dad. Cheyrl Lyall*

“ Hazel was an extremely sweet women and she and my Mother became good friends when she moved to Ashley Health & Rehab. Mom & Hazel shared many details of their lives with one another and she made my mom feel compassion once again. Not only did we fall in love with Hazel but Ken, Shirley, & Gary became a part of our family.. We will miss her.. Love and prayers to the family.
