“ Once in a lifetime someone comes along that touches our lives forever, That person in my life was Virginia. When I went to work at Baldwin ' she was my line girl. She was gentle, kind and loving. We talked about God and spiritual things. She even taught me how to fish. On one of her and Kenneth's Anniversary I got them some frogs from the river, she told me that was what they had for their first meal after they were married. Everyone who knew her loved her. Larry, Judy and family may "Good Memories and God's love help you through these trying times. She is now with Kenneth and the good Lord.

“ What a joy it was to know and bowl with Virginia. Tulsa National Women's Bowling tournament was such fun for me. Virginia kept me laughing as we watched her bowl go from gutter to gutter in one of the biggest sweeps of the lanes I've ever seen. She was always such a delight. Judy, we will all miss her. We love you.

“ When I went to work at Baldwin many years ago Virginia was my line girl. I liked her from the first day and getting to know her was a treat. Kenneth and her even took my husband and I and our small daughter at the time out to Neals bluff and showed us how to catch some catfish. We enjoyed that day so much. Just wanted you to know how much I liked Virginia . She was a special lady to me.
