“ *A fun and kind lady. I loved her dearly and always looked forward to seeing her. Since I live out of state I only got to visit her when my sisters and I went to the assisted living home, but we still enjoyed it. I have a lot of childhood memories of her house with 5 boys running around and the 3 girls from my family teasing her and laughing so much. She was a wonderful lady. Love you Aunt Helen. Darlene*

“ I have loved and cared for the White family in one respect or another for over 30 years. My family has grown to love and cherish them all. Grandmother White as we came to call her has become extra special to our family in the last few years. We have spent many hours with her on the phone and in person listening to her stories about the family and her past. I wish I had written every memory down. She will be greatly missed. I look forward to our reunion in heaven, until then. Goodnight Grandmother and Adopted mother, we love you, The Whiteley's

“ Malinda and I were saddened to learn of Helen's passing. We were Co-managers at Arkanshire for almost a year and enjoyed Helen very much. I was really surprised she was so active when we left there in October 2012. We enjoyed getting to know her and want to express our condolences to the family.
