“ *Barbara, I am so sorry that Helen passed away. She will be dearly missed, I could always count on her to have an uplifting smile on her face and loved that she called everyone "honey"*
She had a great attitude and she loved her mom and kids-
I have great memories of working with the two of you- seeing Helen reminded me of you and when we worked together all those years ago on the weekends so you could be with Helen during the week. Such good memories of you two, I know you will be together again someday-
Love Linda Jones

“ Our hearts and sympathies go out to the Harrelson family in this time of grief. They have always treated all of my family as if we were actually family just as we consider them our family also and it grieves us greatly at this tragic loss of a beloved one. Helen will always be remembered in our prayers as will all of her family. We love you, Helen and you will be missed, just as we love all of your family! God bless you all.

“ I only have known Helen through the VA, when working with her in the Flu Clinic! She always had a smile and was willing to do anything for the Veterans. I enjoyed her positive attitude and her smile! You will be missed my friend, as you called me "Helen with an "E"!"

“ It is a difficult thing to put in words at a time like this and where to even begin. Helen has worked with me and for me for the past 16 years. I worked with her dear mother when Helen was a child so I felt like I had always known her. Helen had the biggest heart and I never hear her say a unkind word about others. She devoted her life to her family and struggled through never wavering where they were concerned. She was a true example of a mothers love. Her smile will be missed and she now can rest in peace as this worlds trials are behind her. It is my honor to say that she was a true friend and as a nurse she would do anything she could to help our Veterans.
