“ Betty this is Helen Jones it's been so long since I had talked with you and I had no idea what your phone number was and couldn't find any place or anybody that knew and I just wanted to tell you how sorry I was about Henry and that we haven't seen you all in so long I hope that things are going reasonably well for you we've had lots and lots of problems but we are blessed. Jimmy has Alzheimer's and not doing real well it's just that his memory he is just about completely gone and he has difficulty doing most things we just moved we bought a house half in size. in it's been a real trying situation I had a stroke a couple years ago this month and I have no peripheral vision on my left Side. So I'm quite limited on where I can drive and I drive around Cabot and close by but not anything like Little Rock or big cities. So sad to hear about Henry but we know as we get our age that we're not promised another day so we leave what we can one day at a time and do the best we can I'm sure would like to talk to you I still have the same phone number that I've had for over 40 years so if you get a chance and could call me I sure would like to talk to you my number is 501-843-6304 again I'm so sorry about Henry and I wish you the best I love you bye-bye

“ *Betty, Pam, Mike, Todd
So sorry for the pain that you feel from the passing of Henry, however, I know that you are so relieved that he is now healed and perfect. I have so many wonderful memories of the Sundays and holidays spent with Ma and Granddad, parents, Aunts and Uncles and cousins. Henry was a good person all his life. Growing up, I never knew of Henry Lee ever getting in trouble about anything. He, as the rest of us, were taught to love the Lord and put Him first! My love and prayers. Lora Ann (Walden) Ingram*
