“ *Bud was an inspiration to all who had the pleasure of knowing him. He was a very inspired man who gave to the community without asking for anything in return. I will treasure the many memories that I have shared with Bud, and keep his memory alive in my heart. Rest in Peace Bud, you deserve it.*

“ *Bud always made us feel welcome when we came to visit or had a family gathering an we are so thankful we got to spend precious time in church with him to he would set behind me somtimes and I could hear him sing and that just blessed my heart deep inside that is memories you can't take away we were blessed to have him in our family. It hurt me deep inside to see him suffer and hurt for so long but I really feel he has a brand new body now and no more pain. We will miss you Bud.*
