“ *Many Memories. He was a real funny character. Most memorable character was him riding Nell the work horse wearing the monkey suit that my mother made for him. He really looked like a real monkey riding on top that animal. Sitting atop like a monkey. I loved him dearly even though like my dad he liked aggravating and always picking on me when I was a child. He was always portraying some funny character and always entertaining. Sad I was not around as an adult much to enjoy his humor, but it was always there and I'm grateful to be his niece. Love Brenda*
