“ *The few good childhood memories I have mostly involve Hubert and JoVetta. Hubert would always tell stories with that twinkle in those beautiful eyes that just captured your attention. I remember sitting on the washing machine talking 90 miles an hour. AND only Hubert would take a little kid on top of the chicken house, just because she wanted to go. I always told him I wanted to marry someone just like him. He was a wonderful, wonderful man. Hubert was always positive and ready with a life lesson to share. We are all blessed to have know him.*
