“ *Mark, Marlene, and Phillip---*

You mom's face comes to mind clearly - always a huge smile, warm and welcoming, and full of energy.

Surely the goodness of the Lord was resident in your mom and now resident in you.

May God bless you with the most wonderful of memories as you reflect on your mom and look to Him.

“ *Dear Marleen and family---Was so sorry to read of your mom's passing. She was the exact age my mom was when she passed. It was a good age but it's never long enough, is it? I pray God's peace and love will comfort you and all your family in the coming weeks and months. Had hoped for a visitation service prior to the funeral...the ground is so wet I would have sunk in with my wheelchair wheels! Will keep you all in my prayers. Blessings, Lori*
