“ *Uncle Williard was one of a kind. I always enjoyed talking to him and he never failed to make me laugh. I have a vague memory of watching professional wrestling with him when I was 8 or 9 and trying to convince him it was fake. I don't think I was particularly successful.*

“ Grandpa, so many memories, so much wisdom. Too much to list. I'm comforted to think of the joy when you were reunited with my sweet grandma. I love you. Save a spot for me.
