“ I'll never forget your silly stories.. About the little Indian girl, or the guys that were a real "booger" or all the times you asked about your "dog" outside 😂 I really thought he had one for the longest time.. You will be forever missed and never forgotten.. If I would have known I'd most definitely been at your memorial.. But I will say my goodbyes at your grave and bring you some chewing tobacco.... I'm praying for your son and wife.. Tell my daddy your stories and let him know how much I miss him down here... Fly high Mr cordell

“ Beulah, Gabriell and I are so sorry to hear of Jack's passing. I am thankful to know that he is with the Lord and that this isn't a "goodbye" but rather a "see you later!". Please know that in the days and weeks ahead, we will be praying for peace, wisdom, and comfort for you and your family. I always loved visiting with you at church and am grateful for the kindness you and Jack always showed toward me. We love you.
