“ I had the pleasure of working with Jack many years ago, and although I have not seen him in nearly a decade, I will never forget him. He was always a joy to talk with, to be around, full of good humor and sage advice if needed, and just an all around gentleman. I am so sorry to hear of his passing, as this world would be a better place if we had more men like Jack.

“ Jack always had a smile on his face. I remember his laugh. I don't think I ever saw him get mad. I am going to miss him. He was my second "dad". My heart goes out to Barbara and the rest of the family.
