“ *Christine and family, Mom and I express our sympathy to you. Jack is in a better place where there is no suffering and pain but I know it is still hard to give him up. May the comfort of that blessed hope we have in Christ help you through this time and the days ahead. He is with Uncle Raymon and Aunt Sue and his other loved ones and friends today, rejoicing at the glad reunion and waiting for the rest to make it home too.*

“ *Chris, The old neighborhood just won't be the same without Jack to fix all the kids bicycle chains and scooters. And we'll all miss the fresh garden goodies he was so gifted to grow. I guess the Good Lord must have been running short of really good gardeners. We'll all look forward to being together up there someday. God bless you and the family.*

“ *Jack was a good man. I enjoyed being around him. He was always nice to me. My heart goes out to all of you. Christine I know from watching my mom go without my dad after all those years of marriage it's not easy to loose your mate. But she is doing good and I know you will too. Linda and Denise it's hard loosing your father I know. Just think of the good times. I'll always remember the good times I had with the Hathorn family. You all take care of yourselves and if you ever need anything call.*

“ Dear Christine and family,
Jack was an outstanding man. I am so glad I was able to get to know him. I will always remember my daughter at the age of 4 singing Somewhere over the rainbow to him and Christine and how much he enjoyed it. The hugs he gave whenever I seen him. Jack will be forever missed. He was a great man. My deepest sympathy to the Hawthorne family. Christine you are in our thoughts and prayers.
