“ *Jack was my friend. He was special. Will Rogers said, " You can judge a Man, by the Men he Rode With". Jack Rode with the very Best. “ *Jack was one of a kind. I loved his stories, he talked about everything. He was always in a great mood, it was enjoyable to be in his presence. I was at one of his BBQ's and he made sure everyone had enough to eat, he didn't want anyone going hungry and wanted everyone to have a great time. Rest in peace Jack.*

“ *I have a lifetime of memories that I cherish! Jacci, one of my favorites was when Jack and Janet took us to the Big Clifty area on the lake to find a secluded place to camp out under the stars. I learned to ski there — and not on our end of the lake. The next day we got caught in a storm and hid out in someone's dock slip for protection. Thanks Wilber (the name on the chair on the dock)! Jacci, Jeff, and Chris, and families — hold tight to the special memories that you have. Love to you all. ~ Lisa*
