“ My heart and prayers are with you and your family during this terrible time. I feel very blessed and privledged to have got the opportunity to meet you, I am just terribly sorry for the circumstances. Thank you for letting me take care of your husband. He was a wonderful person and will be missed. Jesse, if you need anything at all, you know where to find me. I pray that you and your family find serenity in this time of emotional chaos. I'm sure Mr. Grubb is smiling down on you from up above. Although this must be a difficult time, what better place for him to bed. Take care. I hope to see you again some day, outside of the hospital. May God bless and comfort you.
