“ I worked with Jim at D and G from time on equipment sales when I was in the area. He was always a grade "A" professional and a good friend! I never heard him complain the entire time I knew him, even when I knew he was very sick. He will be greatly missed!! I'm sure he suffered immense with the disease he unfortunately had. May he finally rest in peace. God bless him!!

“ My sympathies go out to the Bailey family. James and I graduated from SHS in 1965. The next morning, he, JL Carr, Frank Lee, Gene Hatcher and I set out for the beaches of California. I am the only one that stayed out there.

James was my image of a 1965 rocker. He was of the James Dean mold, and never had a hair out of place, or a wrinkle in his clothing. What a character!

It is sad to now hear that he is gone. Peace be with him forever!
