“ *I remember Jim and Dollie from my youth spent at Fayetteville Lake. Many great memories were had there, fishing and exploring. There was always a hug and a smile waiting for me up at the office when I got tired or hot.. Good people are hard to find, and he will most certainly be missed.*

“ *Great memories of Jim when he was teenager when he would visit Denton and me on our farm at Spring Creek. We would go frog hunting on our pond and get enough frogs to have fried frog legs. We would go visit him at Lake Fayetteville where he and his wife worked. May he be in peace now and has joined his mom , dad and brother in heaven. Aunt Nell and Uncle Denton*

“ Jim was a good man, lived a good life and was loved by many. We had a lot of childhood memories when his family visited at his grandparents house and when I visited him last week we shared many laughs and reminisced about happenings in our lives. Jim could remember so many of the fun times we were all together. I loved him, just didn't get to spend very much time together over the years.
