“ *Jimmy was good friends with my grandfather, Benny Allen. I remember many days of them sitting around talking at my grandparents house when I was a kid. I always loved Jimmy's old chevy truck and would get so excited when he'd let me sit in the drivers seat like I was driving, until the one day I slammed my finger in the door. I still tell that story. Jimmy felt so bad. I remember him always being kind, soft spoken and an all around genuine man. I know his family will miss him dearly.*
