“ I worked with Glen at Bentonville Schools. He parked next to me for many years. He used to wait for me to come around the back of my bus in the morning and just stand there and say hi very loudly. He would laugh so hard when I screamed. But he would also leave me candy because he felt bad. He was such a joy to be around. We talked about crafts a lot. He will be sorely missed.

“ I didn't know Glen very well except through our working together. I liked him so much. He was quiet but when he said something it was always funny. He was family. My prayers and love to the family, I know you will miss him because I know we will. God bless you all.

“ Glen was like a brother, we grew up working together in the old Bentonville Sale Barn and our friendship continue. We raised our kids together and had many shenanigans that our mom's shook their heads to. Bub, you will forever be missed, and forever loved! You each are in my prayers, God Bless and give you strength. Ron and Teresa Bingham
