“ *Ron, Jalon and extended families,*

Our families have been friends for years. When one suffers, we all suffer. Your families stood with me and I will be there for you.

Wendy has a Grandpa there with her. My prayers are and will be with you now and in the coming days.

“ *My deepest sympathy to Mr. Haley's family. My father, worked for Mr. Haley back in the sixties and thought he was the best. Again, my sympathies to the family, he will surely be missed.*
