

## James Shannon McEvoy

January 14, 1969 - November 26, 2018

James Shannon McEvoy was born January 14, 1969 at the Naval Weapons Center, China Lake, California amidst the roar of overhead jet fighters and the flutter of Chinook and Huey attack helicopters. These factors apparently influenced his life as he was known for speed and toughness. A lifelong fight with juvenile diabetes mellitus ended his life prematurely on November 26, 2018.

Jaime had a beautiful, big heart and loved his friends, family, hunting, and fishing. In high school he was a three year letterman as safety and wingback for the Springdale Bulldogs. He was a speedster in track and in the ninth grade was one of only three triple, league champions in the 100 ,220, 440 yard dashes. He attended the U of A studying business and later made his living in residential and commercial construction.

He was preceded in death by his mother, Lynnette, maternal grandparents, Carl and Betty Alver and his paternal grandparents Dr. F.A.McEvoy and Ida. He is survived by his father, Dr. F.E.McEvoy and Nannice Hornor; brothers: Steve McEvoy (wife Kellie); Marc McEvoy. Nephews: Jared McEvoy (wife Katie, daughter Charlotte), Shane McEvoy (fiancee Cynthia Pazmino), and Jason McEvoy.

Funeral service will be at the Sisco Chapel on Saturday morning, December 1

“ I work for the hotel Jamie was staying at the past few months in Harrison. Almost every night we would have conversations that would last for some time. He quickly became a friend to me and I would arrive to work looking forward to see him and talk about hunting and fishing and all the things we both enjoy. Of all the things we spoke about one thing was evident to me he was a child of our heavenly father. When I came to work this week and I was told he was gone I knew a small part of me would never be the same. Jamie you were an exceptional human being and the world is at a loss because you left. Ill miss you my friend. Ill always remember you and I KNOW ill see you again.

“ So sad to hear of Jaime’s passing. Despite the fact that Jaime was a dreaded Red Dog from Springdale, our love of sports and competition enabled us to develop a friendship that wasn’t viewed through a prism of purple and red. The obituary in the paper mentioned Jaime’s smile...it was always there, and was infectious. Such a good guy whom I am better for having known.
