“ Dear Patsy,
Know that my prayers are with you and your family. James was an incredible man of faith, knowledge, & wisdom! John & I will always be grateful for the friendship he had with Jonah & for his countless prayers that have been lifted up whenever Jonah had a need. I always felt much peace whenever Jonah was sick, in the hospital, or traveling to Cincinnati for appts. because I knew you and James were faithful prayer warriors. I can remember many conversations that James & I had about the blessings that come from the Holy Spirit and how they come in all different forms. Two weeks ago he came into the church kitchen and we started another conversation about the wisdom & guidance that comes from our "senior" adults at church. I told him that Jonah has been so blessed by his friendships with our seniors at church. He just smiled and said, "that Jonah is loved by many in our dept. & we can tell that he loves us back"! James, along with you, have been great encouragers to us and he has left a wonderful legacy! While I am sad that I won't get to have those "chats" with him anymore, I rejoice that I will see him again and I rejoice that he is now with our Savior. Hugs & much love to you, Patsy!
