“ *FAMILY: I too worked with Jim at Shelter Insurance here in Springdale while his offices were located on the other side of our building on South Thompson Street. He and I had a great relationship. His father was the old MFA Insurance/Shelter Insurance branch manager for the claims department in Joplin, Mo. I worked some claims for his dad and staff over the years. Jim was a gentleman always respectful of others. Jim will be missed by all who worked or had a casual relationship with him. REST IN PEACE*

“ *What a great loss this is to our Shelter family. Jim was such a kind man, and well respected by all. Jonna, I'm so sorry for your loss. He will forever be in my memory as one of the most professional, kind co-workers I've ever had the pleasure to work with. Jim had a way of making people want to correct their property conditions for safety by making recommendations in such a way as to help them understand the importance of it. He was a wonderful friend, and a class act. I contacted him for professional advice frequently over the years. My thoughts and prayers are with you and your family.*

“ *Jonna, I don't know if you remember me. I did your hair at the Choppin Block and did your dads hair for decades. I lost track of him a couple of years ago but I had recently been thinking about calling him not even realizing he was sick. I am so sorry to hear about his passing. He will be greatly missed. He was a friend to me and was so kind to me. I will be praying for you and your family as your grieve losing him. He is a treasure of a man and a real gentleman.*

“ *Jim was a very great man. I worked with him at Shelter a few years ago before his retirement when the department used to be called Loss Control. We emailed back and forth over the years and kind of kept in touch. He talked of Jonna and her family often.*

*He always had a kind word for everyone and he touched many lives in his careers with Shelter Insurance. It was a pleasure to know this great man. Sandy Harlan*

“ I worked with Jim when he was with our finance company. Then he worked as an RUS for years. He was always easy to like and work with. He never had an unkind word to say about anyone. He was a true gentleman. The world would be a better place if we had more men like Jim. I am sorry for your loss.

“ Jim was fun. I worked with him at Shelter and I still work at Shelter. Didn't see him very often in recent years but every time I saw him I knew we would talk and we would laugh and we did laugh. A lot! I will miss him.
