“ *what a delightful person. I worked with JD at Jones Truck Lines and remember him telling me about his trailer backing skills, "that he could cut it on a dime and give you 5 cents change!"*

“ I think in life you get a couple of great friends that you can sit and talk to every time you meet, and never miss a step. JD was one of those. I will always remember that big old smile and how he loved his family. The card games with him and Shirley till late at night, watching you kids pop fireworks, and Mike always had just a few more! JD was a worker for sure. Loved talking to people, never met a stranger and never left without a great handshake. His is with his bride now. Preparing a place for the next of us. Miss you bud! Rest in peace.
