“ Sending prayers to the family of this amazing woman and child. Janet has always been a special person, caring for others and loving her family.

She was my favorite cousin, we were less than a year apart in age. Getting to spend time at their house was the best. We played for hours with Janet's paper dolls, cutting out new clothes from catalogs and dressing kittens in doll clothes, pretending they were our babies, until they got away from us. We would stick our heads under the house to try to call them out so we could get the clothes back. Aunt Jeanne was the best cook and Uncle Bearden had the best gardens and farm animals. I just loved the fresh rhubarb pies and fresh corn with homemade butter and fresh cream on fresh strawberries. Those were the good old days with not a worry in the world.

That is where your Mom, Sister, etc. is now, with her Mom and Dad and the Lord, with not a worry in the world.

Our thoughts and prayers will be with all of you tomorrow as you lay your Mom to rest. I wish I could be there but my husband's health won't allow it. I wish you had been able to know your Grandfather, Bearden. He was special too, just gone too soon. Luckily Jeanne found Claude, another good man.
