“ *I used to work with Jan at Northwest Arkansas Title and she was such a funny lady, one who loved her family dearly. I had lunch with her about a couple weeks after the passing of Laney and I so enjoyed visiting with her and catching up on all the news. She will be truly missed and my prayers and thoughts are with the whole extended Morriss family.
I am so glad to have known her in my life.*

“ *I was Jan's assistant when she worked at Landtrust....she was a tough gal when you met her, but the longer you got to know her, she was a very deep caring person that absolutely loved her kids.... there was never a time when she saw me that she didn't come over and give me a hug. She will definately be missed.*
