“ Jason and I were pretty close back in the day. We lived close in the Peaceful Valley subdivision... which was anything but peaceful if we had our way. He and I played baseball together, I attended several of his races out of pure admiration, and we terrorized the neighborhood every chance we got. I lost touch with my friend when he moved in Jr. high. I'm saddened to hear of his passing, and wish I were in town to pay my respects to his mom and dad, and his sister. To Jason's family, I wish you all the best and if there is ever anything I can do for you, don't hesitate to ask. Much love, Frankie Klimek
