“ *Dear Mary and family, I work for Pel-Freez and interacted with Jasper on a routine basis for the past several years. He was a good, kind man and it was always a pleasure working with him. I never had the opportunity to meet you, but always admired your beautiful flower gardens when I stopped by to visit and talk business with Jasper. I will miss him as a colleague and a fellow Christian. He was one-of-a-kind and will truly be missed. Kind Regards, Charlotte*

“ Dear Mary,
At our Wednesday night bible studies I always was very aware of your and Jasper's sinceriest respect for the Word of God and how important it was to each of your lives.
The joy we all have expressed in this study as we have yearned for God's future promises are certainly just beginning to be experienced now by Jasper as he enjoys his newly healed existence in a "land that will never grow old."
Please accept my deepest sympathy as I look forward to the reflections on his life in the memorial today in anticipation of seeing his eager smile again one day soon to confirm all that we have learned of God's deep grace through Barney's teaching.
Sincerely,
Wayne

“ We were sorry to hear of your loss. Your family have been in our thoughts and prayers. I remember getting to help Jasper and John get the hay in before the rain arrived one day. He was a great man.

“ Dear Slagle Famile,

I just read about Jasper's death yesterday. I am so very sorry for your loss. You will be in our thoughts and prayers in the coming days. My mother passed away Dec. 29th, and I'm still grieving. We are never prepared to give up our loved ones even when we know they are in a far, far better place. The loss of a mate is the most severe loss, and I pray God will fill the emptiness as only He can.
