“ *I know I'm a little late in sending this, but I just wanted to say that J.D. meant a lot to me. In my growing up years, he was my "big brother" and was always so good to me. I didn't get to see him often over the past few years, but always loved him. My heart goes out to his family. God Bless all of you. Joyce5*

“ Grover,
I saw the obituary for your father. I didn't know him for very long, but he seemed like a very good person. He is now in a better place than he was here and someday you will see him again. Our prayers are with you and your family as you go through this time. I know how it was when I lost my father and mother. Just ask God for strength and comfort and He will be with you through this time.

I am sorry that I won't get to come to the funeral, but my daughter is having surgery that day and I have to be with her at the hospital.

*May God Bless,
James and Carolyn Thompson*
