*My mom and dad (Jerry Tripp) divorced when I was little and he remarried to Jean... I truly believe Jean is the love of his life... I could see pure love in his eyes when he talked about her. I am thankful for the love and happiness and adventure Jean shared with my dad over the years. I grew to love Jean as the years past she always made me feel welcome and like part of the family... We would talk on the phone and when I lost my mom and stepdad Jean helped me through some very difficult days just listening to me and consoling me over the phone... I will miss our little chats..  
Fly high Jean!! ❤️  
You will definitely be missed. ❤️❤️*
