I've known Jeannie since I was about 9 yrs old and her and the rest of her Family was always like my second Family. They always treated me like their own brother. Jeannie was a great person and a great Mother. She will be missed and she is in a much better place than the rest of us are. My prayers are for her son's and Family for peace during this very heartbreaking time.

I got to work with Jeannie at Cracker Barrel and knew her from working at Tyson Foods. I first met her when she was on the same softball team as my daughter. She was a great person and will be missed by many.

Wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your hearts
