“ *I too met Jeff through his love of pigeons. He gave me a pair many years ago. I still have one and by the band she would be 15 years old. I went to Jeff's home and he gave me a tour through his lofts. It was something I will never forget. Darrell Powell from Gravette Ar.*

“ Jeff was a very loyal husband. When guys get together they always talk how they feel. Jeff always honored Debbie as his best friend. He forgot more about breeding pigeons than most of us will ever know. He was the best pigeon breeder I ever met. I loved his loyalty to family and country. He had a very strong understanding of God and his Savior Jesus Christ. I know Jeff will live in Heaven forever. I am a better man for knowing him. Peace and love to his wonderful family.
