“ I will miss her greatly. I remember the good times in high school, at each other’s houses, going to see caves, laughing. That’s how I will remember her. Full of life. Forgive me for not coming, but I will remember her in my way. My sympathies are with you all. I loved her too.

“ *Jennifer and I were really good friends when we were little girls; I am so sad to hear of her passing. I remember Jennifer as a kind, sweet, and happy little girl; we had so much fun together! We spent lots of Sunday afternoons at each other's houses. I always loved spending time at the Dossetts house! Earl and Irene were always so kind to include me as part of their family! I am sad to say that I lost touch with Jennifer many years ago; but still have very fond memories of our time together! I will be praying for your family; may you feel comfort knowing that Jennifer is being held safe in the arms of Jesus! May your precious memories bring you comfort and peace.*

“ *I am so sorry to hear this. The Grimsley family is not only family , but they have been close friends and neighbors for years. I only met Jennifer once. It was when Perry came to Mom's house to talk to us before he so humbly and eloquently spoke at our Dad's memorial service. She was very sweet and sympathetic. My sincerest condolences to Perry and her family. So , so sorry.*
