“ I am truly saddened by the news of Jerry's passing. I only knew him as the coffee man at my place of work (About you salon, I was massage therapist there), but when he would come in he was always so cheerful and smiley and would share family stories and talk about his deep love for his wife. My prayers are that you will find strength and comfort through the lord in this difficult time. Sincerely,
Tracy Maze

“ We are very sorry to hear about your loss. Jerry was a wonderful person. It was nice to see him again, when he came in Truck Pro. I have not re-married, only took my maiden name back at our divorce.
Gary & his wife Leah, from Australia, did not get to come home for his dad's funeral, but they will be home for his sister's wedding, next July 10th.
Jerry will be greatly missed by many people, but most of all by you.

“ Dear family of Jerry,
I have only worked with Jerry since February, but wanted to let you know what a pleasant and congenial man he was to work with. I was helping him with his Quickbooks software for his business and was so saddened to hear of his death.
I will miss his friendly calls about Quickbook questions. He will be missed and I am glad that I got to know him for a short while.
My prayers are with you'all.
Sincerely,
Linda Rogers
