

Jimmie Louise Boatright

September 23, 1923 - January 21, 2021

Jimmie Louise Boatright passed away on January 21, 2021 in San Antonio, Texas at the age of 97. She was born in Springdale, Arkansas on September 23, 1923 and was the oldest of Doyle and Lovena Reed's three children. She was the Salutatorian of her Springdale High School Graduating Class and attended Business College in Tulsa, Oklahoma. In 1943, she married Alvie Boatright, before he joined the Army Air Corps and deployed to the Pacific Theater during World War II. Jimmie was a loving Air Force wife to Alvie during his 33 year US Air Force career and a super Mom to her two sons during all the travels associated with her husband's duty assignments. On several occasions Alvie was deployed overseas to remote locations while Jimmie superbly handled the roles of both Mother and Father. She was also an active volunteer on Air Force bases where Alvie was assigned, helping other service members and their families.

Alvie preceded her death in 1999 and Jimmie will be buried next to him at Springdale's Bluff Cemetery, which is less than a ten minute walk from the house where she was raised. Her burial site is near the graves of her Mother, Father, Brother, Sister and several other relatives.

Jimmie is survived by her sons: Rodney Boatright and his wife Annabelle, of San Antonio; and Zane Boatright and his wife Kris of Oklahoma City. She also

has three surviving Grandchildren: Angela Boatright, Gavin Boatright, and Zachary Boatright.

A graveside service will be held at Springdale's Bluff Cemetery on March 25, 2021 at 2:00 PM.

“ *I live in the home in Springdale that Jimmie grew up in. She came by years ago when she moved back to the area, after her husband died, to see her old stomping grounds. She pointed out a tree she planted with her father when she was 6 yrs old. When I was a little girl Jimmie & Alvie were friends of my parents. Brings back memories. May she rest in peace....prayers going to her sons and their families.*

Cindy,
Thanks for your comments about my Mom. I will always have very fond memories of that house you live in and the area around it. It still seems like home to me. I stayed there with my Grandparents many times throughout my life.

*Cindy,
Thanks for your comments about my Mom. We had the services up at Bluff Cemetery on 25 March. It went well in spite of all the rain. My Mom is now up there with all the rest of her family. I will always have very fond memories of that house you live in and the area around it. I stayed there with my Grandparents many times during my life. It still seems like home to me.*

What we know of Jimmie is what Rod would share with us. We could tell from his comments that she was a key ingredient in his life. Can only imagine her courage, her drive, and character. We witnessed these traits in Rod. She was clearly what former Secretary of the Navy, Jim Webb wrote about the fighting spirit of the people in the south. May she rest in peace! Jose and Ada
