“ I will never forget that time you had me put a firecracker in HL's back pocket to see if it would blow it off. Well it didnt, just blew a hole in it and boy was aunt Linda mad when she got home. But you didnt let me get into trouble. lol You will be dearly missed but I know you are happy being with Aunt Linda and our family! RIP Uncle Jimmy and I love you!

“ My husband, Sonny Davidson, still has a 1974 Ford F-100 that he bought from Jimmy Dean. He has found memories of the old days.
