“ *I am so sorry for the loss of Jim. He will always have a special place in my heart. Most of the memories are when the kids were little and we would go visit at Jim and Kristi's house. When I lost my husband four years ago, Jim came by the house just to give me a hug and make sure I was doing OK. Jim was a very special man. Much love and prayers to the whole family.*

“ *I was very sad today after I saw Jimbo's obituary in today's paper. At one time we were very good friends. I miss him dearly. We had a lot of fun thru the years. I heard Blue Eyes Crying In The Rain today and that made me think of him. He used to sing that to me back in the day. I know he is smiling down on us. My thoughts and prayers are with his family.*

“ *My heart breaks for everyone who knew Jimmy. I hadn't spoken to him in a while but have so many memories from Greenladds and Jimmy was in most of them. He was such a loving soul and a good friend to me when I needed him. Shocked and saddened to hear of his passing. Rest in peace sweet friend. Praying God's comfort for his family.*
