“ *In our younger years I was privileged to know Jodee and work with her in a philanthropic organization, Epsilon Sigma Alpha. She was always kind, generous and thoughtful of others -putting others before herself- a peacemaker and very much a lady. I will always remember her in love and appreciation of what our Heavenly Father expected women to be.*

“ *On top of opening her house to any kids that wanted to come over... Making sure kids felt at home when they came to church..... She gave me a graduation present - out of know where - a kit for college. Paper, pens, stamps, tape. That was 29 years ago. That's one of only three gifts I remember getting for graduation.*
