

John Bosley,

July 17, 1944 - April 9, 2013

John entered his eternal home Tuesday, April 09, 2013, in Springdale, Arkansas. John lived a full life. He wore many hats during his journey here on Earth. John loved to laugh, joke, and could be counted on when someone needed a helping hand. Family, meant everything to John. He was very involved with his family no matter how busy he was. John had been a Fisherman, Professional Truck Driver, Limo Driver, and was recently up until his illness was driving The George Brother's Band from Eureka Springs, Arkansas all over Arkansas, Oklahoma, and Texas on their Brothers, Outlaws, & Friends Red Dirt Country tour.

John loved traveling with the band to their many concert venues and he loved all the members of the band very much. He was an avid fan of Classic Country, Modern Country Music, and Red Dirt Country Music. Big John, as he was fondly called by the band, enjoyed many memories of their travels and venues. Big John, while out on the road, roomed with Dawayne " Pony tail " George, of the band and they had many, many, great memories and laughs while on the road.

John also loved taking his good friend Richard Coger and his friend Paula to trade shows in Las Vegas every year. John's wife, Rose, also went with them and enjoyed the sights and sounds of Las Vegas up until the time of her death. John loved his children with all his heart. Christmas was always a big

event for John and Rose. And when grandchildren came into the picture Christmas got even bigger and better. John was always full of life, laughter, and hope. He would always find a positive in anything. When John became ill, he wanted to be out on the road again with his Brothers, Outlaws, and Friends, The George Brother's Band.

Big John, will be missed and his shoes left imprints that no one can fill. Big John may have been a small man by the virtue of his physical size, but he was a Giant among men. You will be missed more as each day passes and We Love You Dad.

Survivors include three sons, Bill Dale Beaman of Cabot, Donald Stratton, Jr. of Avoca and John M. Bosley, Jr. of Coburg, Oregon; one daughter, Marina Lynn Goheen of Rogers; one sister, Linda Huzl of Westminster, Colorado; thirteen grandchildren and two great grandchildren.

“ *We became acquainted with John and Rose several years ago. We met John when we bought office supplies from him and loved visiting with him. One day Rose came in to see John and we happened to be there at the time and we enjoyed talking with her. John was full of life and he told us of his many adventures driving different groups around the country and he and Wade always kidded around with each other, we loved he and his wife and will miss them both so much. I just cant believe they are gone,we loved talking about their little dogs they had and how he and Rose first met and they were so close and loved each other so much. My heart is breaking for the family and we will keep them in our prayers. John never met a stranger, he was kind and a friend to everyone he met...he was the first person we met when we moved here and he made us feel right at home and was a friend from the very beginning.*
