“ *I work with John for over 8 years. I could not find a better friend or co-worker. John was always there to help. John and I would talk a lot about fixing our country and Tyson Foods problems. I will be missing our conversations and my good friend.*

I am so sorry for you loss. John was a great man. My prayer goes out you and your family. Our heavenly father has received a good man. May god bless your family.

“ *Kaye & Family,
I cannot express my heartache for you and your loved ones. John was such a sweet and gentle man. He could always make me smile. A wonderful father, and best Paw-Paw ever made to little Haley-Bear. And when he would sing! Who couldn't help but be drawn to him and his warm spirit. I loved him dearly. And my heart is forever touched by his amazing love for his family. Know I am here for you any time. Be strong in faith, and know you are loved.*

“ I know John will truly be missed by his own family, but he will be missed by his Tyson family as well. He was so pleasant to work with and reached out to help each and everyone of us in the field no matter what time, day or night. I know the last few years have been very difficult for John regarding his health. He never let that show to us in the field. When I think of John, I think of the saying "All gave some, some gave all". John definitely gave it all. Our prayers go up for his family. Tyson Foods lost a jewel, I personally lost a friend, he will really be missed.

“ I've had the pleasure of working with John for almost 6 years now. I can truly say that he was more than just a co-worker who had a strong work ethic and exceptional knowledge of accounting. His genuine concern to resolve work related issues gave a brief insight to the person he was. Words like kind, honest, helpful, caring, humble, can only scratch the surface of his character. I always enjoyed our phone conversations which always began with work related issues but we wound up talking about many other important things like family and life in general. Every time we had an annual controllers meeting in Arkansas, I never missed an opportunity to sit down and chat with him. I thank God for the privilege of knowing John and will always treasure our friendship. My prayers go out to his family.

May God Bless,

Chris Jackson
