“ *Dear Idy:*

We were so sorry to read of John's demise. The picture in the Wagoner Tribune reminds us of a really big man with that great smile that always appeared to be happy. We will miss seeing him at the reunions.

We are still in Dallas and looking to see Basil James and daughter Denise a week from tomorrow. If your travels should bring you to Dallas, please let us know as we have extra room.

We are sending our best to you & Tommy.

“ *Dear Family,*
So sorry for your loss. I have heard many stories through the years of John Thomas and his family from my older sisters Juanita & Dorothy.
Uncle Wes & Aunt Pearl were two of my favorite people. They visited Mom often after Dad (Elmer) died. I will be praying for you. May you sense His tender words "I am your God, and I will be your comfort."
