“ *Hello,*

I believe that I first met John back in the second or third grade 1966-68 at Westwood Elementary while he was working as a janitor. I knew him because my mom (Juanita Winters) had told me that he and she were briefly married. She always led me to believe that he was a good person.

My mom passed away back in 1999 and John attended her funeral. He and I spoke briefly and he seemed to be a very kind and loving man, with nothing but good things to say about my mom. He did not have to be at her funeral, nor did he have to take the time to talk to me, but he was kind enough to do both and I will never forget that or him.

I would have tried to attend his funeral, but I did not realize it was today, until I read about his passing in the paper late this evening.

I regret that I never got to know him over the years, but I just want you, the family of this dear man, to know that my thoughts and prayers go out to you.

*Very Sincerely,
Roger Burke*
