“ *I am very sorry to hear of Jack's passing. We were part of the original Scott Paper team in 1974 when the plant opened in Rogers. Jack was a great guy to work with and always had a smile for everyone. He knew everyone in town and could have successfully been elected mayor. We will miss him.*

“ *Just thinking that it has been too long since seeing Jack (or Jackie as Mom and Dad called him). Jack was always good for a great laugh. He and Pop would sit together and laugh and chuckle. I am sure that he and Pop are perhaps sharing a good Manhattan right now. Jack, you will be missed.*

“ *I knew Jack from the Landisville, NJ Scott Plant from 1972 and then on to Rogers later. Jack truly was a good and fair man. My condolences to you all.*
