“ Dear Savannah, boys, and family,

I was so sorry to hear of John's death. He was such a wonderful man and I was proud to call him my cousin. I remember when you came to Texas and came by the house before we went to breakfast. I wanted to take a picture of you two with my Mom. You and John went over and stood by Mom's chair. When my little dog, Corky, heard the camera click, he got up from where he was, walked over to Mom's chair and posed for the picture!! John laughed so hard at that!! He was a very kind and thoughtful man whom I loved very much. I know he will be missed by not only you all, but by many others.

“ *To Savanna John was a gracious host to me several times while visiting your home, which I always appreciated. He was able to put up with 2 women in his home while I was there!*

*I've been thinking about you and your family at this difficult period and we know that he is finally at rest without the cares of this world.
Love, Francey*
