“ *To the family,  
As kids of John and my dad, Wylie Moore, we all grew up together at the fire department. Our dads were firemen and the moms were on the ladies aux. Then when I decided to be a volunteer firefighter, guys like John had the patience to help train me. I grew up with the firemen, so I thought I might as well be one!! John was a very kind and caring man and always had a smile on his face. He loved his family - both at home and the fire department. He will be greatly missed. Love, Teresa*

“ We loved and appreciated John's christ-like attitude. John was a man who didn't have to tell you that he was a Christian-you could see it when he rocked babies in the nursery, greeted people at the door, went on FAITH visits, held hands with his wife, or invested in the lives of our Awana kids as he listened to them recite their verses. Praying for you to each feel the love and comfort that comes only from our Lord.

Love,  
Don, Wenna, Gabby, and Jaden Crowley
