“ 🌹💖 *the late 60's. The Rodger's family came into my life with friends and I remember the neat chicken restaurant and memories of past days of and with your family. Some years, ago, driving to locate a road near the lake where I had good friends who,also lived on the road and stopping to ask directions. Your parents were home and as your Daddy and I visited- before I left I knelt by his chair and laced my hand upon him and prayed for he and your family, Linda. Now, I lift you, up and I release the Blessing upon you, all, for in quiet and comfort is your peace. Jesus bore your grief and carried your sorrows and by His stripes you were healed and made whole, and I believe I receive what I've prayed in the Spirit and I release, it , in Jesus Name.💖 Miss Jan DeWese*

The most precious memory of all is the year I visited Elmdale Baptist Church with good friends and neat service conclusion the invitation was given to accept Jesus as Lord and Savior and in the quiet darkness of the auditorium and people were believing on and confessing Jesus as Lord, I saw Stan, standing in the back in tears as he received Jesus as his Lord and saying, 'take my life and do something with, it.' And now, he is forever in Eternity. Miss Jan DeWese

A few years. ago I went to visit Lavonne and Stan and Linda after being greatly impressed in the Holy Ghost. Lavonne ask me to pray and lift Stan, up and we called to him. He sat down and we spoke and I prayed and the power of God came and Stan was healed of an issue in his body, instantly!! GLORY TO GOD 🙌
