“ *Dear Gail and Dave and Clayton,*

I remember one Christmas at the Brogdon House in Springdale. Gail, you were huddled with Brian and your mom and dad deep in catching up with one another. The warm loving family bond I witnessed lives on in my memory. Your dear mom was so caring, arranged the best gifts for holidays and just loved her family and friends. Her warm laugh and enthusiasm live on in our memories and your hearts. Gail, you took such good care of her these past several months. Dave and Clayton you journeyed with a remarkable woman sharing your tender affections. May her soul Rest In Peace and her love live on in your hearts.
