“ My heart goes out to all the Johnny Edgmon family. Most of you don't know me. I am the daughter of Ward and Phyllis Edgmon. I didn't know Johnny but his sister Shirley sits behind me at church and I just love her so. I also have been around Donnie some thru out the years. He seems to be a very nice man. And I briefly spoke to Imogene tonight at visitations. She seems so sweet. I know they are all hurting in their hearts right now. Saying goodbye is hard, but as my brother Roger that passed in 2007 always would say, "I'll not say goodbye, just see ya after while". All my love. Renee
