“ Miss Twyla and Kim:

I went to school with Weston and was in band with him. As many before me have said a little onry but in a good way. He cannot be replaced. Life was not always easy for him but he took it in stride. I regret I have not seen him lately I wish I could have been more responsible. Kim, you will remember my family from Calvary and Miss Twyla the last time I talked to him he stated to me that you were the worlds best mom. Just thought you would want to know that. God Bless, we will be out of town but you are in my thoughts Saturday. Email me if I can be of any help. Karen

“ To Shelly and family, My thoughts and prayers go out to you. I feel so honored to have worked next to such a wonderful and caring person. When I think back to the years I spent at store 144, Wes is one of the people that cross my mind. We were all one giant Walmart Family and we always looked out for each other. He always knew how to tell a joke and keep us on our toes. I know in my heart that he and Granny are picking on each other right now in Heaven! May God be with your family during this mourning period. God Bless, Misty, Dean, Katie Jo, and Ryan Piazza

We are to so sad to hear about your loss of Weston. Tommy's mom worked with Weston and always asks about him, and talked about how much she enjoyed working with him. He was a special guy. Our thoughts and prayers are with you.
